

Ready for the new version of the CL 50 Ultra?

From a Veg Prep Machine to a ready-to-operate Solution: supplied with the most popular and dishwasher-safe discs (3mm and 6mm Slicers, 3mm Grater and 10x10mm Dicing Equipment).

Save hours of preparation time and boost your kitchen productivity: up to 150 kg of vegetables cut in 1 hour, without compromising on quality!

Also included:

- 2 Wall holders for safe, space-saving discstorage,
- The D-Clean kit for easy and safe cleaning of your Dicing Equipment.

Looking for more cuts? Request a custom selection of discs for slicing, grating, dicing, French fries, julienne, and even ripple cuts!
